"My name is **BIG VAL JONES**..."

"...In 1961,
I left my family
home in Merthyr
Tydfil and set off
for the big city
lights of Bognor
Regis."

"Armed only with a dream and a pattern
for the most comfortable cable knitwear."

"I now control all shipments of cable knit
Raglan Sleeved Cardigans in and out of Bognor,"

"You can't buy a jumper unless it is a
Big Val Jones jumper, unless, that is,
you want to get 'spoken to' !..."

"But then **Jesus Jones** came out of the woodwork.."

"...They knew i have money..."

"...They also knew i
have a very particular
set of Knitting Skills..."

"Skills I have acquired over
a very long and not always
law-abiding career. "

"Skills that became
their worst nightmare!"

"Those idiot 'Has-Been' popstars thought they
had the safety of the police on their side.."

"THEY WERE WRONG!!"
